

Welcome to the 2024 **Fussler Potts Community Relay Race**. Named after Fussler Potts, the infamous Ironbridge coracler (and poacher). The race is for teams of up to 4 people from community groups, businesses local to the Ironbridge Gorge or friends. Team members must be willing to work together to take on a small challenge, have some fun, get wet and perhaps help raise some money for the Ironbridge Coracle Trust.

Each intrepid four will race against up to four other teams. This year's race is kindly sponsored by **Moonshine and Fuggles** Ironbridge Dry Gin partnership. Fussler Potts was a renowned poacher and the challenge for the teams is to collect all their poaching gear. The first team back with the full poachers outfit will be crowned the winners and awarded the coveted **Fussler Potts trophy**.

No prior experience of paddling is necessary but team members must be able to swim and will be required to wear a buoyancy aid whilst paddling. Coracles, paddles and buoyancy aids will be provided by the Ironbridge Coracle Trust. Fancy Dress optional but the sillier you look the better! **We will limit the number of teams entering the race to 8.**

Last entries for the race will be Wednesday 21st August

The start time is dependent on the timings of the other races but is likely to be around 3.00pm.

Entrance to the race is a minimum of £30 per team.

We are fundraising for the Ironbridge Coracle Trust which seeks to preserve the heritage of coracles and provide community activities. We need your help, so extra donations to support your entry will be very welcome but they will not sway the judge's decision!

Thank you for your support!
